The “Award of Excellence”, Company Web Site, Independent Class was presented to the Mahone Group on October 29, 2003 at the ASA 2003 Staffing Industry Communications Awards ceremony. We are very proud to have received this National recognition for the second year in a row.

The Mahone Group’s web site is a powerful on-line sourcing tool, yet it cares about its visitors and is focused on the applicant experience. Integrated with Mahone’s ATS system, it enhances automated assessment and effectiveness for recruiters, applicants and clients.

The objective of the site is to be applicant centric, effective, responsive, courteous, personal, private and secure. A few goals in developing the site include:

- Treat the applicant with individual respect
- Effective and productive tool for Mahone recruiters
- Provide a cost effective document management capability
- Functional and easy to use site design
- Password-protected area for applicants, employees, and clients to access Mahone documents, forms and policies
- Provide client and temporary web portals to enhance productivity and communication

The American Staffing Association (ASA) is the voice of the staffing industry. ASA promotes the interests of its members through legal and legislative advocacy, public relations, education, and the establishment of high standards of ethical conduct.

The Mahone Group is a member in excellent standing with the American Staffing Association.

The staff of the Mahone Group welcomes the opportunity to provide unparalleled staffing assistance to you in 2004. We are confident that you will be most pleased!
